

# Mijd de vogelmijt!

Wat is de rode vogelmijt?

of bloedluis

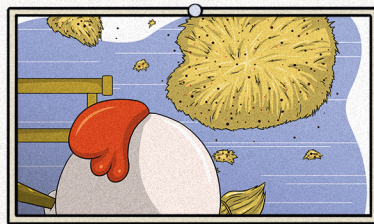

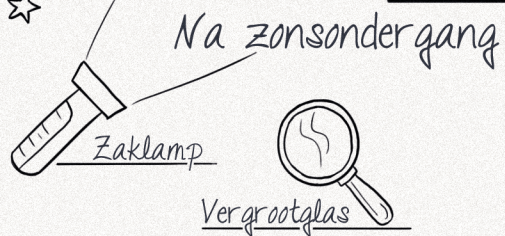

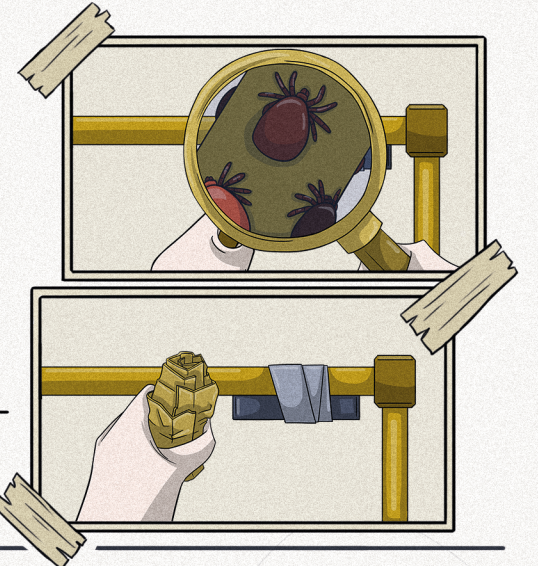

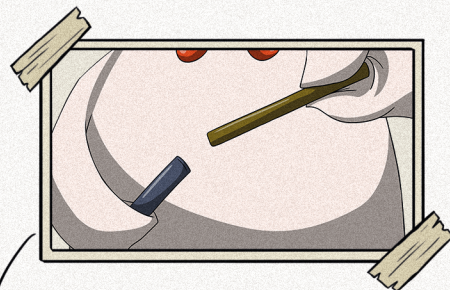

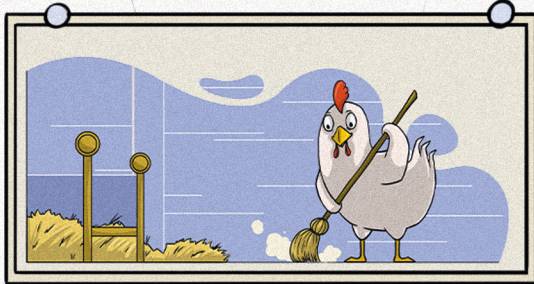

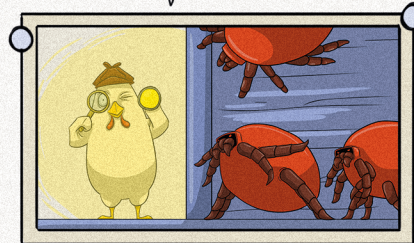

Groei populatie

Leeft niet op kip, maar in het hok!

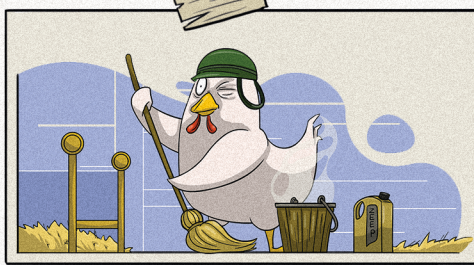

Ga op onderzoek uit!  
 Zoek in kieren en spleten van het hok

Hoe zijn ze te vinden?

Maak een mijtenval

Hoe ze bestrijden?

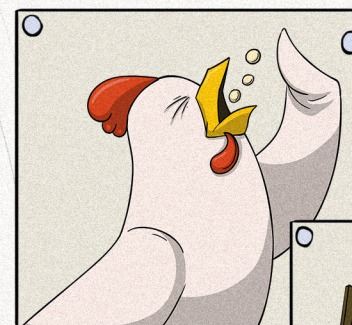

Poets het hok met warm water en bruine zeep

Breng silica aan in het hok

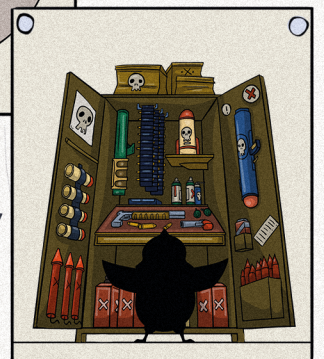

Roofmijten

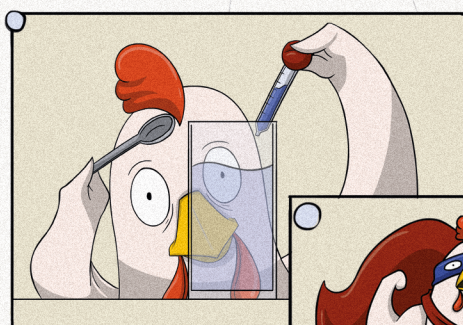

Dierengeneesmiddelen

Allerlaatste redmiddel

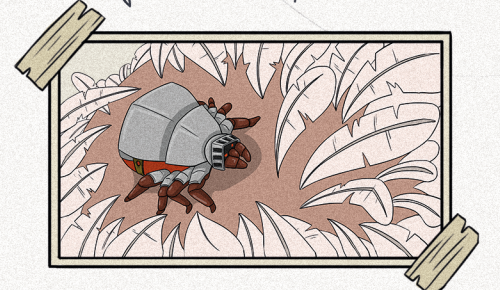

Pesticiden

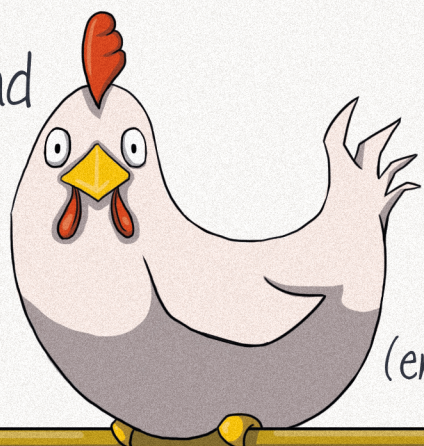

Plantaardige supplementen

Verhoogt kans op resistentie

Zo blijven je kippen gezond en gelukkig

(en geniet jij van lekkere eitjes)
