

Overnight along the shore

Welcome to the overnighting-site.
Enjoy your stay at Zilvermeer. We wish you lots of fun
and a pleasant overnight stay along the shore!

Check in and check out

arrival: from 3 pm
departure: before 11 am

Check-in is possible with max. 2 persons
(At check-in, show your ID and your car
registration certificate)

Please sort your rubbish before departure at the container park during
current opening hours or in the underground containers near Sanitary
North & Sanitary Central.

Keep in mind:

Drive your car straight to the reserved parking lot. From here you continue on foot
or by bike to the campsite (= approx. 100 m.). You follow the route on the plan and
you can enter the enclosed area through the gate.

Common use:

- ✓ The "Socialet" with separate kitchen equipment and refrigerator per site
- ✓ The Stretchtent with separate wooden tables and benches per site

Inventory:

Check the inventory very carefully. Inventory deficits or damage must be reported at
the beginning of your stay. Inventory deficits will be charged.

Before and upon departure:

- ✓ You tidy your own site as well as the communal areas.
- ✓ You brush the floor and clean the surrounding area.
- ✓ You also put everything neatly in the right place when you leave.

Facilities

- ✓ Electricity
- ✓ Cleaning equipment and service set
- ✓ NO running water (the available jerry can can be filled at the drinking water
poles on the campsite or at the dive center).
- ✓ NO sanitary facilities on the site, but you can use the sanitary facilities of the
nearby campsite free of charge for both showers and toilets (see plan). Sanitary
Upper-North is the closest, but you can also use the slightly further away larger
sanitary blocks, which offer more comfort and have more toilets and showers.
It goes without saying that you too can leave our sanitary facilities neat and
tidy. In case of an emergency, the outside toilet of the nearby dive center can be
used.

Hint

Rent a bike?

Do you want to relax sportively
and explore the beautiful sur-
roundings by bike?

During the campsite reception's
opening hours, you can rent bi-
kes, both for adults and children.

We can also help you with fun
routes in the area!

Ask at our campsite reception or
at the Info Point.

For safety reasons, swimming is not allowed in the pond where the "Overnighting-site" is located, but it is allowed in the swimming pond on the white beach when the green flag is flying.

Rowing, sailing or surfing on the pond is only allowed under the supervision of the Sport & Entertainment department of Zilvermeer.

Max 20 km per hour - Parking

On the day of arrival and departure you can already visit the day recreation before the arrival time and after checking out. When you sign up at the campsite reception you will receive the accommodation tickets.

This will give you access to the domain on foot via day recreation. PLEASE NOTE: Parking before arrival and after departure for the purpose of visiting day recreation is only possible on the larger car parks of the day recreation (entrance beach - Zilvermeerlaan). You park in the reserved parking lot. (max. 20 km/hour) Non-essential trips with your vehicle on the domain are not allowed.)

Peace and quiet between 10 pm and 7 am

From 10 pm to 7 am we would like to give those who stay on our domain a good night's sleep.

Barbecue

BBQ is permitted, unless there is a temporary ban due to prolonged drought and fire risk. Only safe and well-shielded BBQ appliances may be used. Take the necessary safety measures to prevent fire and always provide a bucket of water for extinguishing. Never open fire allowed! All BBQs must be completely extinguished by 12 am at the latest.
